THE BIG "C"

COMPTON HIGH SCHOOL

Dedication

Since Compton Senior High School was re-organized ten years ago, it has attained heights in every field of endeavor - from academics to athletics. The credit for Compton's success belongs to the students, the staff and the administration. Compton High School is indeed fortunate to number among its personnel one under whose guidance Compton has forged ahead to become the great school it is today. With unquestioned devotion to duty this person has placed the welfare of the school and students above personal interest. Giving unselfishly of her time, knowledge and experience to help make Compton the "School of Champions" she has dedicated her talents to the benefit of this student body. Therefore, we, the staff of the 1962 El Companile, proudly **DEDICATE** this book to our principal. . . .**MRS. DORIS WESTCOTT.**

THEY DECIDE

As our spotlight focuses on the District Administration we find MR. RAE E. CARGILLE, Superintendent of the Compton Union High School District, looking over a roll of new school construction plans. The job of superintendent is one of importance, and must be held by someone who is dedicated, capable, and efficient. Such a man is Mr. Cargille. Mr. Cargille's reputation as a hard-working administrator is a matter of record. He has been in the field of education for thirty-two years, seven as a teacher, fifteen as an assistant principal and principal, at various junior high schools, and eight and one half years as deputy superintendent of the district. He received his A.B. degree from Redlands University, and holds an M.A. degree from U.S.C. Because of his varied experiences, Mr. Cargille is well qualified for his important position. His friendly smile and warm personality have won him many friends throughout the years. Everyone in the district can be proud of this man who has become such a successful leader. We at Compton High are especially proud, because Mr. Cargille is a graduate of Our school.

DR. CARL BURK, assistant superintendent in charge of instruction, is responsible for the curriculum and guidance programs for the district. Through his efforts funds, available through the National Defense Education Act, have been used to enlarge our campus.

MR. LESLIE W. VIEN is the Business Manager and Classified Personnel Director of the school district. His responsibilities include directing the work of the Purchasing, Accounting and Food Service departments as well as administering the building, maintenance and pupil transportation programs.

DISTRICT POLICIES

Mr. Charles H. Ambellan
Director Special Services

Mrs. Helen Thompson
Director of Certificated Personnel

Mr. Kenneth W. Mason

BOARD OF TRUSTEES

THE BOARD OF TRUSTEES works closely with the district administration, striving continuously to work out important details for efficient school functioning. They are also responsible for dispensing of district funds. The five member team includes: **Seated:** Mr. Edwin Chaffee, vice president; Mr. Everett Pyle, president. **Standing:** Mr. Ramon Gonzales, member; Mr. W.E. A. Knight, member and Mr. Joseph Causey, clerk.

Capable Administrators

Our spotlight now focuses on the Compton High Administration and MRS. DORIS WESTCOTT. Now in her ninth year as Compton High School's head administrator, she has proven once again her outstanding administrative ability. During the past nine years we have seen Compton become the "School of Champions." Much of the credit for this achievement belongs to Mrs. Westcott. She always takes an active interest in everything that concerns the "Big C." Her sincere devotion to our school is shown by her continual support and attendance at social activities and athletic events. Her devotion to the students at Compton High is evident from the individual interest which she takes in each student. Nothing is too small or unimportant to receive Mrs. Westcott's attention; she can always be counted upon to give advice or offer constructive criticism. Compton Senior High School is indeed fortunate to have as its leader such a dedicated and capable person. Everyone at Compton, students, teachers, and administrators, is proud of Mrs. Doris Westcott. . . . .OUR PRINCIPAL.

MRS. MARTHA BORDERS is assistant principal in charge of instruction. Her primary job is to constantly evaluate present curriculum and make necessary changes in order to provide more adequate courses for "Big C" students. MR. HOWARD BROWN, assistant principal, in the execution of his duties has made noteworthy achievements for Compton High. He is supervisor of boys, and is in charge of campus control. He is also director of athletics.

The Juniors have selected a class ring which will always bring back moments to remember during their entire Junior and Senior years at Compton. Busy deciding and ordering their Class of '63 rings are: Sharon Wendrick, Georgette Taylor, Pat Crelia and the company representative.

"The Junior-Senior Prom would not be complete without a dance band," replied these two popular Juniors. Eagerly awaiting an answer to hear a well-known band audition for the Prom are Karen Richardson and Obie Bartlett.

Little Wheels Have Activities

One of the chief aims of the Junior paper staff is learning the correct techniques necessary for making a layout for the school paper. Members of the beginning journalism class shown here with Mrs. Viola Bagwell, advisor; are: Lillie Gilmore, seated at the typewriter; Jacqueline Cook, Joseph Davis, Lovella Brown, Cheryl Henry.

Fall semester Associated Student Body Council was formed of the officers elected by the student body in the spring of 1961. The goals of the council were to promote school activities and to act in the best interests of the students of Compton Senior High School. Under the sponsorship of Mr. Rosenthal and leadership of Bill Jessee, fall semester president, the council was very active in promoting many school events. They planned all student body assemblies and functions. Club projects had to be passed by the council. The council had many money-making projects, some of which were selling tags with suckers on them to arouse spirit among the students for the games, selling popcorn at home basketball games and being in charge of making popcorn for both lunch periods. The council met every day as a class and on Fridays had their formal meetings.

Their first responsibility was to sell popcorn, candy and cokes at all home basketball games. The council had many money making projects during the second semester. Members of the council made "spirit tags" to sell with suckers on them in order to promote school spirit among the students. The council decided they would have a worthwhile money-raising project by selling bars of candy to raise money to repaint the "Big C" on the back of the Administration building. It is traditional for the council to hold tryouts each year for the Exchange Assembly Talent Show. This year they formed a committee and selected the best talent to represent the "School of Champions."

Gathered in the reserved section before the beginning whistle, the Pep Club happily anticipated the result of the basketball game. From the opposite side of the gym the white shirts of the members plus the block "C" of the Drill Team clearly showed their optimistic spirit.

Pep Club Supported Compton's

The electrifying suspense of the opening jump ball that every spectator felt was clearly shown by Ann English.

Cheering wildly as the team made a basket, which put Compton in the lead, Marion Phillips was sure the cagers would never be stopped.

Alarm spread through the crowd as the opponents closed the lead to only four points. Tina Carson and Darnella Quarles showed their concern for the possible outcome.

The final drive brought shouts of joy from Ann Wade. She was confident the final buzzer would show Compton the winner.

Making up the membership of the Pep Club were, in addition to the members, the Yell Leaders, Flag Girls, Song Girls, and Drill Team.

A jubillant spirit prevailed after the game was finally won. The smiling face of Jerrie Johnson and the outspread arms of Lena Cole signified the triumphant feeling of everyone.

The Pep Club officers worked with sponsors to make sure the club was well organized. From **left to right** are Mr. Wellman, sponsor; Frank Anderson, president; Vicki Adkison, secretary; and Linda Kilgore, treasurer.

For the first time in Compton's history a Pep Club was organized to urge the Big "C" teams on to victory. The only requirements to become a member was an avid interest in sports and a loud and clear yelling voice. At each game the club members, wearing their identifying pep buttons on white shirts, sat in a reserved section under the blue and white Pep Club banner. The Pep Club boasted a membership of 403, the largest club on campus. Miss Hanks, Mr. Freeman, and Mr. Wellman, sponsors, worked closely with the club officers to promote school spirit and ehthusiasm.

Sitting beneath their banner, the Pep Club was the first to give encouragement when the team was behind, the first to cheer when they pulled into the lead, and the last to be silent when the game was won.

Keep Standards High

Students receiving the highest scholarship grades at Compton made up the membership of Mimirathenians. Besides meeting monthly, they took several field trips to nearby colleges and Universities. Among other colleges, they toured the Redlands and Riverside campuses. Seniors were eligible to become Sealbearers if they had been Mimirathenian members for four semesters. The Sealbearers received gold pins and became life members of the California Scholarship Federation. Its sponsors, Miss Covrette and Mr. Busch, have helped this club to foster higher standards of scholarship, service, and citizenship at Compton.

Acting Artists

The Thespian Club, under the guidance of Mr. Kosturick, again entertained Compton this year. Big "C" students enjoyed an outstanding three act play and several smaller productions. The acting ability of the members, plus the facilities of Compton's auditorium made these productions seem almost professional.

This proved to be one of the most surprising moments of the play, "Twilight Walk." Joan Hulbert was trying to psychoanalyze Bill Jessee, but it looks as if Bill is "psychoanalyzing" Joan too.

The superb acting of the cast and the beautifully decorated park set made "Twilight Walk" one of the most enjoyed plays in Compton's history. From left to right, Joan Hulbert, Edna Thomas, and Joyce Christy discuss a recent murder near the park, while Bob McElhinney relaxes on a park bench.

The N.F.L. group representing Compton in a speech contest at the University of Southern California included Elaine Watson, Jackie Gaston, Michele Gibbs, Jim Cox, Joyce Christy, Judy Weissman, and Cheri Washington.

Members of the National Forensic League benefited by the capable leadership of their first semester officers: Jim Cox, secretary-treasurer; Joyce Ogelsby, vice-president; and Joyce Christy, president.

Talented Talkers

National Forensic League members have gained much experience in public speaking through their activities. Besides attending a winter and spring banquet, N.F.L. members entered various speech tournaments and were hosts at the Novice and Coast League Tournaments held on the Compton campus. N.F.L., sponsored by Mr. Schediwy, has fulfilled its purpose of giving students experience in public speaking and providing speakers for the school and community.

Going Up

Doesn't everybody look innocent? Who was really entitled to the estate in question? Shown in a scene from the Halloween play were David Elmer, Kathy Obrien, Bill Jessee, Judy Lacy, Judy Abell, and Bonnie Martin.

Compton students were caught by the photographer donating to the March of Dimes during an assembly put on by the Girls' League.

Aren't they the sweet little couple? Joan Hulbert looks on as Larry Francis and Judy Saunders are leaving for a dance. This scene was in the Thanksgiving play.

The Thespian club, under the direction of Mr. Michael Kosturick, presented some outstanding plays this year. The Halloween play was a "first" this year, but it is hoped it will become a tradition at Compton. The Thespians also presented a Thanksgiving play, the fall play, "Twilight Walk," and a Variety Show in the spring. Compton has been fortunate to have such a talented Thespian Club membership.

"No!" screamed Joan Hulbert when Bill Jessee was shot in the back by detective Steven Bullart. Aiding the detective was Robert Austin. This exciting scene was from the drama, "Twilight Walk," presented by the Thespian Club.

Bill Jessee was seen interviewing Betty Gilbert, who was dressed as a Compton football player in a pep assembly. Compton's mighty football team is pictured in the background along with the "Big C".

Compton's Orchestra

This year's orchestra brought many fine musical numbers to the students and friends of Compton High. They were heard at assemblies, the Christmas program, and the Spring Concert. Although the orchestra was small, their music was enjoyed by all. The orchestra was under the direction of Mr. Anthony Freeman, and accompanied by Mrs. Miles at the piano. Some of the orchestra members provided accompaniments for students who sang in the annual talent show, or they played in the band. To these students, who worked so hard to serve Compton, congratulations for a job well done.

Of Music

Ensemble members spent a very active year singing at many events. Their songs were heard at assemblies, the Christmas program, and Spring Concert. A few of the Ensemble members sang "I'm Blue" in the talent show. At the Installation assembly all members of the Ensemble sang the number, "Climb Every Mountain," which was an inspiration for those who heard it. The Ensemble, under the direction of Mr. Laurence Shorer, had an exceptionally fine year.

Singing with the A'Cappella choir at the Christmas Program were the mixed choir and the ensemble, accompanied by Mrs. Dorothy Miles and the band, under the direction of Mr. Anthony Freeman. The combined choirs and band closed the Christmas Program with the beautiful Hallelujah Chorus. The 1962 choral department will long be remembered by those who heard their songs.

Strike Up The Band

Compton High School's band was heard at almost all of the school activities this year. Under the leadership of Dick Spaur, drum major, and Mr. Anthony Freeman, director, this year's band played at parades, assemblies, and concerts.

Caught by the spirit of Compton High Mr. Freeman wrote a song for our school entitled "Compton Spirit." Mr. Freeman has worked very hard with the band on half-time shows, special appearances, and the candy sale to help the band earn money for new uniforms. Practicing hard and playing whenever called upon made this year's band one of which all Compton could be proud.

Marching in the parade at West Arcadia was Compton's High stepping band. Following the band were the flag girls and the drill team.

Drill Team members were, Bottom row: Co-Captain, Gaylin Greeley, Captain, Irene Garcia. **Second row:** Evelyn Endo, Clara Razo, Eleanor Poole, Gwen Harper, Jean Ruff. **Third row:** Mary Lou Armstrong, Cheryl Blakely, Janet Block, Jeanie Wade, Carolyn Dean. **Fourth row:** Virginia Valdivia, Theodora Edwards, Kathy Edwards, Pam Miller, Jean Payton, Sydney Sherlock, Linda Beck. **Fifth row:** Sherry Walker, Kitty Russell, Karen Richardson, Dixis Haviland, Loretta Hernandez, Mildred McLaren, Shirley Sasaki. **Top row:** Shelia Montgomery, Linda Roberts, Judy Doucette, Wilda Sutter, Sharon Pulcher, Helene Moore, Henen Hubbs.

PRANCING, DANCING FEET

The 1962 Comptonettes performed with grace and precision in all of their performances. Besides performing at football and basketball halftimes and assemblies, including the talent show where the senior members dtd a charleston dance, they performed at the West Arcadia, Compton, and Santa Fe Springs parades, El Rancho drill team competition, and a drill team workshop.

Under the directorship of Miss Elaine Hanks, and the leadership of Miss Irene Garcia, Captain, the Comptonettes will long be remembered for their fine performances. Ending the year with a banquet and reunion, with past members of the drill team, this year's Comptonettes have many memories to look back up on.

Fight Team Fight

Adding a note of sparkle to the songs they led were our song leaders: **kneeling,** Cara Lou Hutchinson and Sharla Grant. **Standing:** Sandee Cloper, Linda Eastwood, and Vicki Adkison. These girls practiced very hard to present new and different routines.

"I say hello Tarbabes" was led by the yell leaders at one of the football games. This yell was a favorite of many.

Seen picking up hats and batons for the drill team were Linda Eastwood, Sandee Cloper, and Sharla Grant during a halftime performance.

Leading the spirit on the "Big C" campus were the yell leaders: **kneeling,** Ray Garcia and Dennis Brady. **Standing:** Dick Farrell, Frank Anderson, yell king, and Alfonso Hernandez.

Go Compton Go!

Prancing before the band was one of the majorettes, Priscille Gonzales. Priscille's smile was in evidence wherever she was, including the football field.

Twirling their batons with poise and precision were Priscille Gonzales and Theresa Spruell. The majorettes twirled at football and basketball games, assemblies, and parades.

Twirling their flags with grace and agility were this year's flag girls: **kneeling**, Linda Kilgore and Virginia Clyde. **Standing**, Kathy Persson, Betty Gilbert, Carolyn Salisbury. Their flag routines were done with such ease that they amazed those who saw them perform.

Joining in one of the yells at the football games were the flag and song girls. Their assistance in the yells made the yells more effective.

Helping to dedicate our new gym were Coaches Parish, Parker, Armstrong, Hartmann, Doyle, Ucker, and introducing them from the podium was smiling Coach Caudillo. Highlighting the gym's first year of service to Compton High students were the many exciting basketball games.

Pert Irene Garcia led the Comptonettes with grace and precision, and a smile that always radiated the warmth and friendliness for which she will long be remembered.

Compton's spirit was present at all of our school activities. Helping to promote this spirit were the pep teams composed of the yell leaders, song and flag girls, band and drill team members and the Compton rooters.

Spirit of

Leading the yells at all of our games and assemblies this year was Yell King Frank Anderson. Frank did an outstanding job in promoting spirit at the school of champions.

The Comptonettes together with the flag girls were caught by the photographer making an arch for the football team to run through at the end of halftime. This was a small tribute paid to the football team by the members of the Comptonettes and the flag girls.

Drum major Dick Spaur led the band with pep and enthusiasm. Dick led the band for a second year and gave a professional appearance whenever he strutted before the band.

the "Big C"

Irene Garcia, drill team captain, Dick Spaur, drum major, and followed by Vicki Adkison and the rest of the songs, flags, and drill team members led the procession in the Installation assembly.

"All hail to thee dear Compton High" was sung by the audiance and all per sons on stage during a football pep assembly. The singing of the Alma Mater at the end of school functions is a tradition at Compton.

In the spotlight is a close-up of Tom Mistretta, outstanding instrumentalist, during a Pep Assembly.

"I Could Have

Compton students danced, talked and had a good time at the Witches Frolic dance, sponsored by the Senior Class.

Dancing the first dance after their coronation were Queen Josie Small and King Harold Essex. Their coronation was the highlight of the Christmas dance.

Couples were seen enjoying the entertainment at the intermission of the Christmas Dance along with Santa Claus. Much of the entertainment was presented by Compton students.

Danced All Night

Providing entertainment at the Sadie Hawkins Dance were Lena Calhoun, at the piano, Madeline Jones, and Diane Moore.

Twisting the night away were Lovella Brown and Joe Davis, Evelyn Dardin and Thomas Sweets, Ruth Randon and Emile Moses. The Twist Dance was sponsored by the Sophomore Class and was enjoyed by all who attended.

Business club members and dates enjoyed a night of dancing in the school cafeteria to music on the juke box. This was a successful "first" for this organization.

Talking together at the Junior-Senior Prom were Jeannie Ruff, Osburn Crump, and Pricille Gonzales, while other couples danced. The prom will long be spotlighted in the memory of the seniors.

Staff Struggles

Working on copy to meet an **El Companile** deadline were Lynda Collins, Mary Ottens, Carolyn Dean, Cheryl Golden.

Cleaning the dark room were Wayne Allen, Stanly Moon, Bob Tonnacour, Priscilla Bibby, who compose the staff of Production Photography, and Miss Bowers, advisor.

Loraine Calonge and Ron Corbridge worked hard meeting the deadline on the Administration section.

Instead of taking the picture himself, Bob Weygand, staff photographer of Myron's Studio, had his picture taken.

Completing pages were, **from left**, Judy Weissman, Marion Pryfogle, Kirk Madge and Betty Niemela.

Berna Gunter, art editor, Priscille Gonzales, layout editor, Mrs. Hoffmann, advisor, and Dolores Webster, editor-in-chief, were seen examining "glossies" that just arrived.

Recording sports events and team statistics was the job of Don Chapman, Larry Burke, Tina Carson, typist, and Joe Walker. Covering all the sport events at Compton, kept them busy.

Class Activities

"HOW DOES IT OPERATE," asks Franklin McWatt and Alvin Adams. Mr. Harmon shows them the V-8 engine with which each of our late model driver training cars comes equipt. PROSPECTIVE ARTISTS find out just how much ability they have in Mr. Fisher's production art class. Pictured are Dolores Carter, Lillian Myers, Charlotte Schweitzer and Joyce Huggins.

THE SUN DISTRIBUTOR TESTOR is being explained by auto shop teacher, Mr. Parker, to Emile Moses, Ivan Lemaster, and Willie Davies in Auto Shop. This class teaches essentials in auto mechanics. It is one of the most popular shops here at Compton.

STUDENTS STUDIED

"DID I REALLY COOK THIS; it tastes good." This could very well have been said in foods class; after all look who their teacher was. . .Miss Bowers. Sampling their cooking are Kathryn Gross, Obera Cloborn, Maymie Robeen, and Cecilia Scorza.

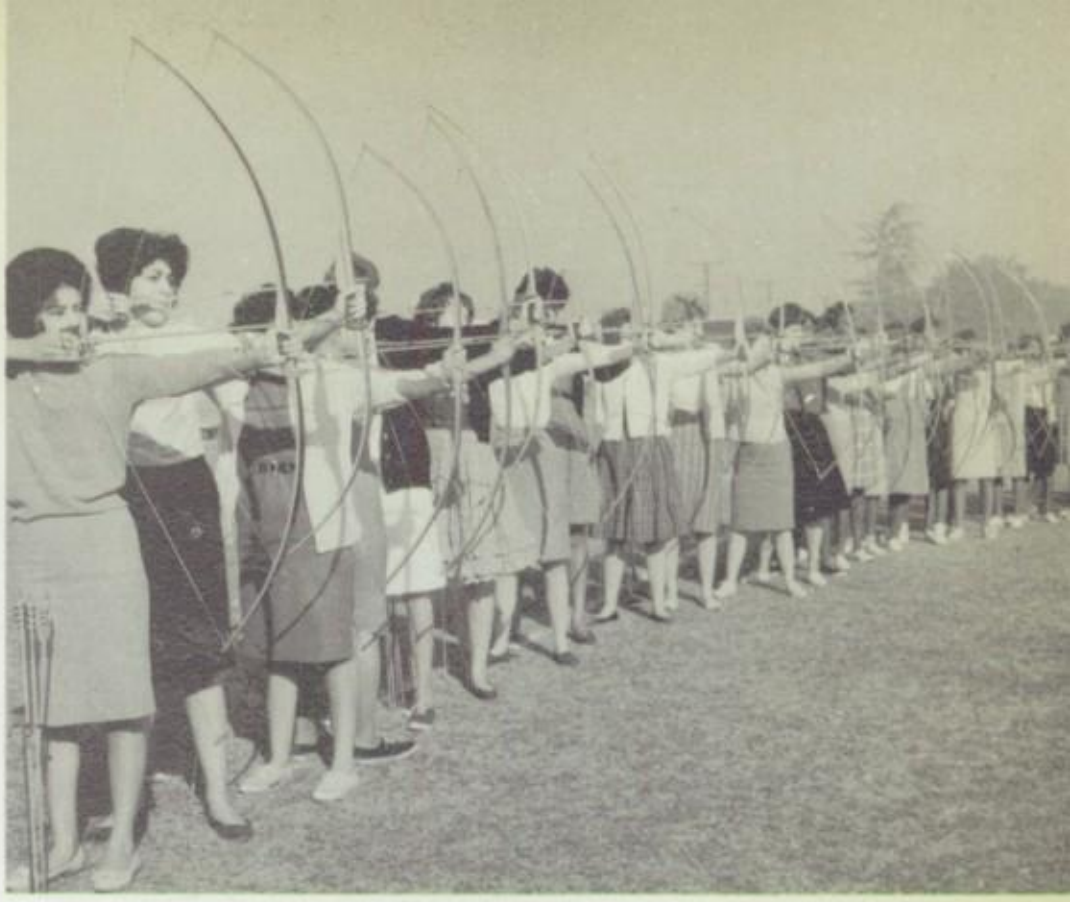
SENIOR ORCHESTRA is one of Compton's musical assets. Many hours of practice and preparation go into each performance. Pat Yvarra, Josie Small, Dick Spaur, Fred Rodriquez and Tom Mistretta are shown assembling their instruments. SPEECH CLASS is enjoyed by numerous students here at Compton. It teaches fundamental parliamentary rules. Judy Russell is shown making a point of order on Yvonne Prudhomme in Mr. Shediway's sixth period speech class.

"DO YOU UNDERSTAND THIS PROBLEM," asks Art Kassebaum of Jean Payton. They are students in Mr. Olson's third period trigonometry and solid geometry class. This is the most advanced math class we have at Compton.

STUDIOUSLY

MRS. EAGLES looks pleased with Marion Folsom's paper. Studying composition and English literature are part of the twelfth grade English course. Looking on is Jim Stecher.

ONE OF THE LABORATORY SCIENCES offered at Compton is chemistry. Gloria Perry and Willie Davies are shown finding the results to an experiment in Mr. Caudill's fourth period class.



NO, IT'S NOT SHERWOOD FOREST, just an archery class here at Compton. Archery is one of the many physical education activities that girls have to choose from at Compton. Others include swimming, tennis, modern dance, badminton, and sports.

AN IMPORTANT QUALITY of the modern secretary is the knowledge of business machines. Business machines is taught by Mr. Wellman and Mr. MacDonald. Nancy Neisenhimer, Judy Saunders, Millie McLaren, and Joe Johnson are shown hard at work.

NO, IT'S NOT THE SWIM TEAM, just one of Mr. Doyle's swimming classes. This class is required in order to graduate; after all, how many high schools offer this opportunity to learn to swim. This particular class begins at eight thirty in the morning.

SHOWN HERE IS THE LANGUAGE LABORATORY. It enables students to record their voices and play them back, listening for their errors in pronunciation and content. Manuel Ortega, Luz Noriega, Mr. Campbell, John Allen, Parley Bartholomew, Mary Lou Armstrong, and Irene Garcia are pictured.

CAN THIS BE A CLASS? Popping popcorn is one of the many activities done in leadership. Leadership is a class composed of the student body officers including members of the student council. Those pictured are Linda Eastwood, Dolores Webster, Ralph Valdez, and Clara Razo.

STUDYING GEOGRAPHY is part of the sophomore problems course. Mr. Sherrill, sophomore problems teacher, is shown assisting Romarian Pruit, Jackie Meisenheimer, and Norma Caro.

GENETICS is one of the more interesting units of study in senior problems. Helene Moore and Bob Rohn are being shown by Mrs. Stephanian, senior problems teacher, how eye pigment is inherited.

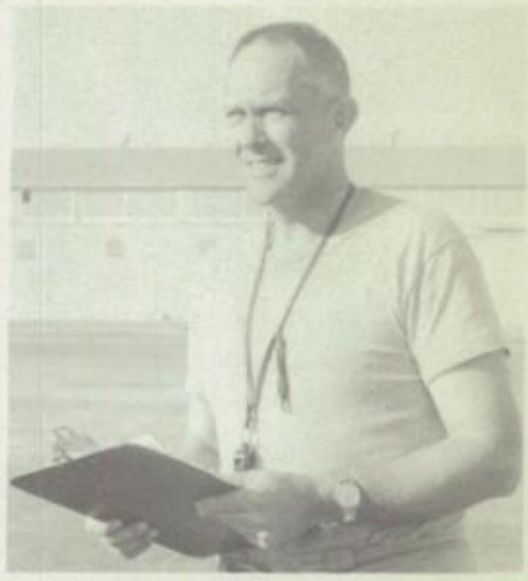
Varsity Football Team

Assistant Coach Ucker is seen here studying the scouting report of a Tarbabe opponent.

Compton's Varsity gridiron team found themselves on the road back under Coach Fisher. With only three returning lettermen from last year's Varsity, Coach Fisher's gang could only latch on to two games out of eight. Bad breaks and injuries to key players in the middle of the Coast League season hurt the Tarbabes changes. However, the two games they did win were thrillers. No Tarbabe will forget Frank Herrera's twenty-two yard run that sparked the winning drive in the Dominguez geam. The season was highlighted by Virgil Dwyer's great eighty-five yard run against Paramount. Dwyer received the kickoff on his own fifteen, started up the middle, cut quickly to his right, evading two Pirate tacklers, and took off on an eighty-five yard trip to the "promised land." For their brilliant play three Tarbabes were named to the All-Coast team: tackle, Cleathus Austin, halfback, Howard Clark, and end, Harold Essex.



Head Coach Fisher studies some new pass patterns for a Coast League encounter with the Paramount Pirates.

Coach Adam's B's finished another pigskin season. The B's finding the going very rough, could only come up with one win in seven tries. Coach Adams worked with mostly eager sophomores who were out-weighed in almost all their games, particularly in the line. Captain Melvin Dean was one of the standouts in the lone 13-0 victory against Domingue . The bos proved themselves great by making a valiant effort in each game and coming close in several games.

Jessie Ochoa is brought down after a long gain in one of five exciting Coast League games.

Varsity Water Polo

Under the leadership of Coach Charles Doyle, the Compton Varsity water polo team enjoyed one of its finest seasons. This year's team was led by Captain Bill Hoanzl, high point man John Chambers, and All Valley League center-guard Howard Rhoads. Some of the outstanding triumphs during the season were victories over Bell Gardens by a 24-2 score, and wins over Aviation (16-0) and Pioneer (13 to 4). However their greatest moment of glory came in an 8 to 6 victory over the Lynwood Knights which was a fitting climax to a thrilling season.

Varsity Cross Country

Eddie Garcia, two year Varsity captain and junior on the Big "C" campus, shows great form.

Compton's Varsity Cross Country team started off for another three good years of outstanding running with the team consisting mostly of sophomores. Compton's harriers were envolved in a three-way Coast League tie with Lynwood and Dominguez, losing one League meet each. Sophomore Devone Smith was placed first on the second C.I.F. team to show even more that Compton is the School of Champions. Coach Ernst Hartmann has been at Compton for 30 years and has made victorious teams out of three-fourths of them. Compton's outlook for '63 is great.

Devone Smith, Big "C" sophomore, was placed first man on the all C.I.F. cross country team. Devone shows great possibilities.

Sam McCaleb, a senior at the "School of Champions", was the third man on Compton's cross country team.

The Junior Varsity cross country team of the Big "C" campus wound up at the end of the season in fourth place in Coast League play. Pacing the Junior Varsity squad was junior Carl Davis.

Although Compton's J.V.'s did not win every time, the harriers got the first part of the test down by defeating the Centennial Apaches.

These boys on the Junior Varsity team, started out their new life of high school sports on Coach Ernst Hartmann's cross country team and earned Big "C" letters for their letterman's jackets.

Alma Mater

All hail to thee, Dear Compton High,
Our Alma Mater true;
May all thy sons, where 'ere they be, give thee all honor due.
The years may come, the years may go, but still we'll loyal be,
And when our high school days are o'er, be faithful unto thee.

Frank Erickson, Author

El Companile

Many students have asked, "What does **El Companile** mean?" It isn't a name that the yearbook staff pulled from the clear blue sky; it is a combination of letters with a meaning for each. We must return to the eighteenth century to understand the background of this name. Our city was first settled by a family of English descent, known as the Compton family. Since our national language is English, we took the first four letters of this family's name as the beginning of our yearbook's name---C O M P. EL, or "the" in Spanish, gives recognition to the many Spanish speaking people who reside in our community. The remainder of our title--A N I L E -- was taken from the ancient word Campanile, meaning bell tower. We Tarbabes are truly proud of the "Chimes" bell tower on our campus. Therefore, "**EL COMPANILE**" combines the history of old Compton, the music of the Spanish language and the people who speak it, and our respect and love for our bell tower and chimes.

Swan Song

As I look through the pages
of this 1962 El Companile,
it is inevitable that I should contemplate
the joys, the sorrows and the exciting moments
my staff gave me as I edited this book for your pleasure.

Without the invaluable help and cooperation of Berna Gunter, art editor, and Priscille Gonzales, layout editor, this time-consuming job could, of course, never have been completed. Staff members, Ron Corbridge, Loraine Calonge, Judy Weissman, Carolyn Dean, Tina Carson, Vicki Adkison, Linda Beck, Lynda Collins, Wilda Sutter, Marion Pryfogle, Kirk Madge, Cheryl Golden, Larry Burke, Don Chapman, Mary Ottens, Betty Niemela, Rickey Bass, Joe Walker, Stanley Moon, Bob Rohn, and Sandee Cloper certainly merit appreciation which mere words cannot express.

And, naturally, without the patient persistence and the innumerable extra-curricular hours given by our "Delight-ful" advisor, Mrs. Hoffman, we could never have met the challenge of that nemesis of all journalists, The Deadline.

Without "Our Bob" (Weygand, that is), of the Chris Myron Studios, and his ever-ready smiling acceptance of last minute picture schedule changes, El Companile's photographic account of this year's activities would be woefully lacking.

To Mr. Eugene Uht, of Color-Graphic Yearbooks, Inc. who gave unstintingly of his time and patience to answer our innumerable questions and to make helpful suggestions, we extend a special thank you. Thanks too, are due to the S. K. Smith Company for this year's beautiful cover.

Obviously a yearbook is as good as the combined co-operative efforts of all people involved: the administration, the faculty, the classified personnel, and last, but not least, you, the Student Body, who have made being Editor of the 1962 El Companile a most rewarding adventure.
